## INTRODUCING: SEEDS OF WARMTH

Spring cleaning can bring warmth to those in need! **Seeds of Warmth** is our initiative to collect and prepare winter essentials now, ensuring no one is left in the cold when temperatures drop again. We sort, mend, and repurpose donated clothing, blankets, etc.—transforming unusable items into patchwork blankets through our **Second Stitch** program.

Every donation is a step toward sustainability and support for our homeless communities. Join us in planting the Seeds of Warmth today! Learn more or coordinate a drop-off at [warmthtotherescue.org/seeds](https://warmthtotherescue.org/seeds-of-warmth)

## Brewing Warmth: A Collaboration with Scooter's Coffee

We're excited to announce our collaboration with **Scooter's Coffee** to bring warmth to those in need! Soon, we'll be hosting a pop-up event at Scooter's Coffee, where they will donate a percentage of sales during the event to support Warmth to the Rescue! Guests can also drop off donations, helping us provide essential resources to our homeless communities.

We're working to build a lasting relationship with Scooter's and hope to build that with other local businesses, too!

## Donor Spotlight

Without our supporters and donors, we wouldn't have nearly anything we do now. We'd like to take a moment each month to highlight our top 3 (or 4 in this case) contributing donors!

## Remembering Avi Feldman

This month we'd like to give a birthday highlight to one of our board member's late brother Avi Feldman. Born on 4/18/1996, Avi's light shone brightly to his friends and family as well as within the entire community. Avi dedicated his life to sharing what little resources and shelter he had with others in need to the detriment of losing his own housing. While his life was tragically cut short 11/6/2016, his legacy lives on in love in the mutual aid networks tethered through his visions of true community.
